Anang Eko Fitriyanto

Syntax writer and Script Author

📍 Mluweh, Kec. Ungaran Timur Kab. Semarang, Central Java, Indonesia

anangeko9@gmail.com || +6281329749406

I am a fresh graduate from the University of Semarang majoring information system I am a 2016 batch student and graduated in March 2021 with a GPA 3.48 am excited for a career in Programmingespecially those using the Go language as a backend. During college I was active in several student communities, one of them namely HIPMI PT (Entrepreneur).

During my lectures, I also had internship experience in one of the faculty units on campus as correspondence administration and IT technician at the faculty.

I am looking for opportunities to be able to contribute further in the industrial world in the Programmer section to be able to apply my experience and interests. Let's Connect on LinkedIn or contact me at (anangeko9@gmail.com)
